

Dear Hirer,

Please find below a checklist to help you ensure that the Hall is left in the same state in which you (hopefully) will find it. As it is not always possible for the cleaner to attend in between bookings, please try to leave the Hall as you would like to find it. Thank you.

If you do find the Hall in an unsatisfactory condition when you arrive then please contact the Caretaker immediately. His number is available on notice boards in the lobby and outside by the front door.

Please remember that if the Hall is not left in a clean and tidy state ready for the next user, and additional time and effort has to be spent on cleaning over and above the usual, then we do reserve the right to withhold all or a part of the deposit.

If you have any comments on the state of the hall (whether critical or otherwise), please contact our Booking Clerk on [bookings@holyporthcommunitytrust.org](mailto:bookings@holyporthcommunitytrust.org).
